FINANCIAL POLICY & CLIENT PAYMENTS

IBCC is a discipleship counseling ministry that helps believers understand their position in Christ and how to apply this in their daily lives and relationships. The ministry is in need of payments from clients and donors to minister to help hurting people. It costs IBCC approximately \$90 an hour to provide discipleship counseling. We have two payment options for you to choose based on your financial situation.

- I am able to pay the suggested donation amount of \$90 an hour for my counseling and understand the payment is not tax-deductible.
- I am able to pay \$_____ per hour and need the financial gifts of IBCC donors to cover the rest of the per hour cost of my counseling.

Donations made to IBCC by its clients above the suggested donation of \$90.00 an hour for counseling are tax deductible. Donations made outside of the context of receiving counseling to IBCC are also tax deductible. These financial gifts will be able to help others who are in need of counseling and are greatly appreciated.
